- B. The Board of Directors then met with James M. Madsen of National Grid plus a team Supervisor. It seems National Grid was not aware that the community was a PUD and that the Town of Brookhaven owned the roadways. They were also quite firm on their position that they do not do repairs, which is a major issue.
- C. The Board of Directors then completed the normal agenda including review of the Management Report.

Respectfully submitted,

John Hatgis, as Managing Agent and Assistant Secretary of
